

MABIP2017 Abstract Submission Guidelines

- Abstract should not exceed 300 words, must be typed in single spacing; font size 11; Times New Roman
- Abstract title must be less than 10 words and express the essence of the research
- First name, last name, title, institution of author(s) must be stated clearly. Email address of presenting author should be included.
- Presenting author must be stated and underlined in the abstract. Do not include degrees.
- Avoid reference to institution names, locations, or funding sources within the text of the abstract
- Abstract (except for case reports) should be divided into sections as below:
 - **Objectives:** In one brief sentence, provide the rationale for the investigation and/or the question to be answered, with or without short citation(s). Citations should be listed and provide the name and initials of authors (max. 3), title of article, title of journal, year of publication, the volume number and first and last page numbers in full.
 - **Materials and methods:** The experimental conditions should be reported briefly (i.e. age group, features of the subjects, gender, etc.). The clinical approach and the study period should be clearly stated. The methods used should also be briefly and clearly explained (i.e. image analysis, biochemical data, histological, immunohistological or molecular analysis of the data, statistical significance).
 - **Results:** The most significant findings should be stated briefly.
 - **Conclusions:** This final statement is crucial because it supports the scientific value of the presentation
- Abstracts of unfinished researches will not be evaluated.
- Tables, charts or graphics should not be included in the abstracts.
- Please avoid submitting abstracts already submitted elsewhere or presented previously.

Evaluation Criteria

The evaluation by the reviewers is based on scientific or clinical interest in the topic assessed, adequacy of provided data, innovation and clinical impact.

Announcement of Accepted Abstracts

- Abstract acceptance letters will be sent **by August 31st, 2017** to the submitting authors' contact e-mail address in the system.
- At least 1 of the authors of each accepted abstract has to register **before July 31st, 2017**, in order to include their abstract in the final scientific program.
